

KAPPA PHILANTHROPY

KKG San Antonio Alumnae have given over \$325,000 to local charities because of Tablesapes!

The Philanthropy Committee of the San Antonio Area Alumnae Association is underway in planning for our 2012 beneficiary. We would like all San Antonio Kappa Alums to have the opportunity to propose an organization that can benefit from our Tablesapes proceeds. Please help the board in choosing the next deserving recipient by making your recommendation below. Also, if you have any relevant financial, historical or other pertinent information about the organization (&/or specific need) please gather and send in as well.

Thank you.
Charlotte Milner, 2011-12 Philanthropy Chairman
